6 Divisions:	NOTE: Divisions will run in numerical order as listed below. Divisions may be combined or divided.
Div 1 –	first two classes at 2'9 + third class at 3'
Div 2 –	first two classes at 3'3 + third class at 3'6
Div 3 -	2'
Div 4 -	2'3
Div 5 -	2'6
3 Classes per Division	<p><u>1st class</u> in each division is a two-phase class. Table II, Section 2(c) TWO-PHASE. If a competitor goes clean in the 1st round (phase one), the competitor will, upon crossing the finish line, immediately and without circling commence the jump-off course (phase two). Timer starts as they cross the finish line of the first round (phase one).</p> <p><u>2nd class</u> in each division is a time first round class. Table II, Section I Time First Round. Only one round is ridden. This round is first decided by the faults incurred over the course. Competitors with clean rounds or equal faults are further placed according to time taken to complete the course.</p> <p><u>3rd class</u> in each division is a jump off class Table II, Section 2 a (<i>jump off rounds after all 1st rounds are complete</i>) After all 1st rounds have been completed, each competitor that was clean in the 1st round returns to ride a jump-off course. Competitor must wait to be started for the jump-off course and must cross the finish line at the end of the course to stop the timer.</p>

Note: Competitors going on to the jump-off round always place above those who do not, regardless of their performance in the jump-off round. Jump-off rounds are first decided by adding together the faults incurred over the course and then further classified according to time taken to complete the course. If there are no clean 1st rounds and a tie exists, time taken to complete the 1st round will be used to place the competitors.

In spite of the restrictions involved with Covid 19 compliance, it will be a good time and great training experience for all competitors.

Next visit to SFC, check out the preparations currently underway for an additional outdoor riding arena (The Moore Stadium), our newly expanded dressage school, the addition of a hacking lane from the barn to the hunter ring, and the fabulous new additions to the Derby Field – new water complex, new ditch complex, many new solid and portable obstacles, plus more to come!!
